

Here Comes The Bride

Clothes for the entire bridal party will be a feature of this morning's Thrift Shop Fashion Show to be presented by the Little Company of Mary Hospital Auxiliary at a 10:30 a.m. brunch in the hospital cafeteria. Ready to model what this season's bridal party will wear are, from left, Sandy Winters, as maid of honor; Sue Jaconi, bride; and Mrs. Jerry Frazier, mother of the bride. Other fashions will also be shown and the public is invited. (Press-Herald Photo)

Little Company Auxiliary

Presents Fashion Brunch

Entrance of the "bride" traditionally marks the end of couture fashion showings in Rome and Paris, but at Little Company of Mary Hospital in Torrance, brides will begin and end the Hospital Auxiliary's Valentine Fashion Show.

Bridal fashions, donated by a leading bridal shop to the auxiliary's Thrift Shop in Lomita, will be shown for members and their guests at a 10:30 a.m. brunch at the hospital today.

Brides' gowns from traditional to mod will be modeled, along with bridesmaids dresses and gowns for the mother-of-the-bride. Starting at 11:30 and continuing through the lunch hour, the Thrift Shop fashions will be modeled informally in the hospital's cafeteria for hospital personnel and visitors.

The show will not be exclusively for those planning weddings in the spring, however, sportswear, afternoon and cocktail dresses, and children's clothing will also be modeled by members of the auxiliary and their families.

Chairman for the fashion show is Thrift Shop coordinator, Mrs. C. L. Fox.

Bride models will be Miss Sandra Winters and Miss Susan Jaconi, on loan from their duties at Bank of America, Del Amo Financial Center.

Others modeling are Miss Karen Kenney, Mrs. Edwin

Thomas, Mrs. Dale Rodman and Mrs. Jerry Frazier.

The Little Company of Mary Hospital Auxiliary Thrift Shop is just one of several projects the group sponsors to raise funds for purchasing the most up-to-date equipment for the hospital. Recently, Mrs. Arthur Grayson, president of the auxiliary, presented a check for \$16,500 to Sister Mary Magdalen, administrator. The sum was final payment on two TV X-ray units purchased for the radiology department.

The auxiliary plans to purchase a Cardioverter System for the hospital with funds raised during 1968. The Cardioverter can instantly restore the heartbeat in cases of cardiac arrest and has many other therapeutic and life-saving uses for cardiac patients.

All fashions shown Valentine's Day will be available at the Thrift Shop, 24427 Narbonne Ave. in Lomita. In addition to clothing, other bargain merchandise offered includes furniture, washers, dryers, carpeting and drapes.

The shop is staffed by auxiliary members and is open from 10 a.m. to 4 p.m., Monday through Saturday.

Relate Picture To Furniture

Framed pictures or mirrors are too often hung high on the wall where they are removed from the furniture grouping of which they should be a part, according to the Picture and Frame Institute. It is a common decorating error and one that is easily corrected by viewing wall accessories and furnishings as related units. A good rule: hang pictures about six or eight inches above a couch or buffet.
